

CBRC – Call for Interest  
Anaesthesia Assistant Examination  
Examination Development and Review Committee

The CBRC is seeking to replace three (3) vacant positions on the Anaesthesia Assistant (AA) Examination Development and Review Committee (EDRC).

Members of this committee will perform the following:

- The AA Examination Development and Review Committee is responsible for the ongoing maintenance of the CBRC AA examination item database and the development of test forms based on the specifications provided by the CSRT.
- The committee will annually review the item bank composition, identify over-exposed items, and replenish the bank with a regular supply of new, field tested items.
- Meet virtually or in person to review, develop and maintain AA examinations and the AA examination bank to specified standards.

All costs for travel and accommodations are paid for volunteers and an honoraria and expense stipend are included when applicable.

Qualifications for consideration include but are not limited to:

- CCAA designation from the CSRT
- Graduate of an accredited AA program in Canada
- Presently employed in the practice of Anaesthesia Assistance

2 positions are for individuals with a broad scope of AA experience

1 position is for an individual with neonatal or pediatric AA experience

Interested applicants may submit a cover letter of intent and their CV on **or before May 15, 2021** c/o: [cbrc@cbrc.ca](mailto:cbrc@cbrc.ca)
